INTERNSHIPS

Web Development Intern   APRIL 2023

Aviansys Technologies Pvt. Ltd. |

- Built responsive web pages using HTML and CSS.
- Integrated front-end layouts with back-end services under guidance of senior developers.
- Improved interface load speed by optimizing layout structure and stylesheets

HR Intern   Aug 2023

Breakes India Pvt. Ltd. |

- Audited employee records and updated database with 100% accuracy.
- Streamlined filing and documentation processes, reducing manual workload by 30%.
- Assisted with onboarding documentation and coordinated interview logistics for new hires.

PROJECTS

Responsive Video Streaming UI Clone (Netflix Clone)

- Designed a Netflix-style front-end interface to showcase movie thumbnails and descriptions.
- Built with HTML5, CSS3, and deployed via GitHub Pages for accessibility and testing.

Sales & Profit Dashboard (Power BI)

- Developed an interactive dashboard visualizing monthly profit, sales, and quality metrics for a sample company. Used Excel as the data source and created dynamic KPIs using DAX measures.
- Helped identify low-performing product lines and trends for performance improvement.

Automated Certificate Generator & Email Sender

- Created a script using Google Apps Script to automate generation and emailing of certificates. Integrated Excel for data input, PowerPoint templates for certificates, and ChatGPT for assistance.
- Reduced manual work by 90% and received positive feedback from all recipients.
